<b>OUR FINANCIAL POLICY</b>	
<u>                    </u> Initial	<b>Medicare does NOT cover all medical goods and services.</b> It is the patient's responsibility to provide us with current insurance information at each visit. If we believe that Medicare will not cover the medical goods and services provided by DaVita Kidney Specialist of Fredericksburg, we will provide you written notice (known as an Advance Beneficiary Notice, "ABN"). The ABN will detail the non-covered services and your financial obligation for those services.
<u>                    </u> Initial	<b>You are responsible for all and any applicable co-payments, coinsurance, and unmet deductibles.</b> Although you are covered by Medicare, you may be responsible for a co-payment, coinsurance, and/or deductible. You will also be responsible for any past due balances that may be remaining on your account. DaVita Kidney Specialist of Fredericksburg requires that all monies be paid on date of service.
<u>                    </u> Initial	<b>Payment Methods and Returned Check Fee.</b> DaVita Kidney Specialist of Fredericksburg accepts MasterCard/Visa, personal checks, and cash. If the bank returns your check as "un-payable," you will be charged a \$25.00 service charge, which will be due, along with the amount of the returned check, within three (3) business days. Your account will be placed on a "cash-only basis."
<u>                    </u> Initial	<b>Prompt Payment of Mailed Invoices.</b> In the event that you receive a statement in the mail from us for payment, it is your responsibility to pay that amount within 14 days. Amounts for which you are liable may be identified as " <i>patient balance due</i> " on the invoice. Patients with an outstanding balance more than 90 days overdue must make arrangements for payment prior to scheduling appointments.
<u>                    </u> Initial	<b>Accounts Placed for Collection.</b> If you fail to make payments due within sixty (60) days following receipt of an invoice then (i) interest shall accrue on the outstanding balance at the rate of 1½ percent per month (or, if less, the highest interest rate permitted by law), and (ii) your account may be sent to an attorney or third-party collection agency for collection. In the event that your account is sent for collection, you will be responsible for costs and reasonable attorneys' fees incurred by DaVita Kidney Specialist of Fredericksburg in connection with the collection of the outstanding balance.

**ACKNOWLEDGEMENT**

I HAVE READ AND UNDERSTAND the Financial Policy of DaVita Kidney Specialist of Fredericksburg and agree to be bound by it. I understand that Medicare does not cover all medical goods and services as well as my responsibilities with respect to Medicare as explained above. I understand that I am ultimately responsible for payment for medical goods and services provided to me by DaVita Kidney Specialist of Fredericksburg. I hereby grant DaVita Kidney Specialist of Fredericksburg the right to bill and collect from Medicare for medical goods and services provided to me.
